A REPORT ON CELEBRATION OF SPORTS WEEK 2019 FROM 28TH JANUARY TO 01ST FEBRUARY, 2019

SPORTS WEEK 2018 – 28th January TO 01st February, 2019

The sports week was organized in D.A.D education campus. The students participated in a number of indoor and outdoor games including cricket, volleyball, kabaddi, kho-kho, chess, carrom, rangoli, musical chair etc. The management assigns one entire week towards sports as it considers it to be a social asset. Games play a very prominent role in enhancing the cognitive, social and physical dexterity of young dynamic students.

The faculty members also extended their support in co-ordination of events for successful execution of all the games. Even unregistered students were accommodated in the games to boost their morale and to embolden their spirits to interact with the other fellow students.

Initially, two to three days were utilized for the intra-college cricket tournament amongst various groups like students' degree, students' diploma, faculty degree, faculty diploma, administration department. Also, women's cricket tournament was also organized in which two teams from diploma and degree competed against each other. The tournament was held in a play ground away from the

campus.
