The basic idea behind putting emphasis is to imbibe the strength and character of Gandhi in today's generation.

A presentation on the life and character of Mahatma Gandhi was given to students to showcase the distinctiveness of this legendary icon.

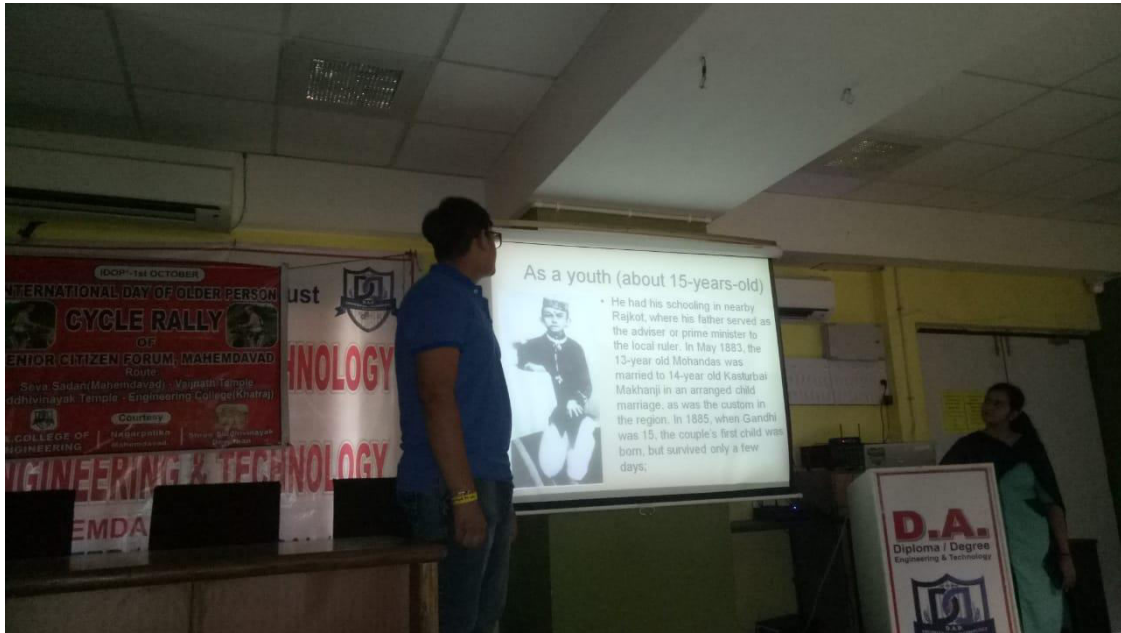

A series of activities in this context have been organized to portray the values and morale practiced by this great Mahatma.

The list of activities carried out at our institute are:-

The students also gave presentations on their understanding of various quotes given by Mahatma Gandhi. In this session, all the participants as well as audience got the feel of the foresightedness and the lateral perspective of the great Mahatma.

The ideas on the following quotations were shared:-

- It is better to be violent, if there is violence in our hearts, than to put on the cloak of non-violence to cover impotence.
- One needs to be slow to form convictions, but once formed they must be defended against the heaviest odds.
- The weak can never forgive. Forgiveness is the attribute of the strong.
- Always aim at complete harmony of thought, word and deed. Always aim at purifying your thoughts and everything will be well.

Swachha Bharat Abhiyan was celebrated with gaiety and enthusiasm on the auspicious occasion of 150th birth anniversary of Father of the Nation, Mahatma Gandhi, at DAD Education campus. We have described this mission as a “continuous process” and have appealed our students to participate in this noble movement “Cleanliness is next to Godliness”. DAD, in its full capacity will make sure that this campaign culminates into a key sustainable project, revamping the nation of our Nation as “Swachh Bharat – Vatavaran evam Vichaaron se Shuddh”

The distinguishing characteristic of Mahatma Gandhi for which he is revered the world over was his strong conviction for “non-violence” and passive resistance. This is a humble effort to inculcate such values and strengthen the character of of today’s youth that will emerge as the future of Vibrant India.
